

KLAUS & BENJAMIN TEUBER RIVALS FOR CATAN

Please print at 100% (do not shrink to fit). This has been designed to print properly on both US Letter and A4 paper.

INTRODUCTION

All of us are longing for eateries, hotels, and B & Bs to reopen. Fortunately, there are still hostels on Catan that offer traveling merchants excellent room and board.

You can use these special hostel cards as an addition to the *Rivals for CATAN*™ introductory game and when playing the theme games.

GAME COMPONENTS

- 2 *Hostel* special cards
- 1 instructions sheet

PREPARATION

CRAFTING THE SPECIAL CARDS

Print out this sheet, cut out the cards along the dashed lines, and glue the card faces to the card backs (or put them into card sleeves).

SET-UP

Place the 2 *Hostel* cards as a **face-up expansion card stack** next to the draw stacks (see “The Theme Games > General Rules > Preparation-2” in the *Rivals for CATAN*™ rules). For example, the face-up expansion card stack in the *Era of Gold* theme set would consist of 2 *Merchant Guild* cards and 2 *Hostel* cards.

EXPLANATION

- Each player may only build 1 *Hostel* in their principality.
- You must have a hero in your principality before you can build the *Hostel*.
- The *Hostel* changes the effect of the *Traveling Merchant* event card for you. Instead of paying 1 gold for each resource you take (maximum 2), you take 2 resources for free.
- The *Hostel* cards are not ideal for *The Duel of the Princes* version of Rivals. Reason: The backs of the cards you crafted differ from the cards of the game, which means that you can identify them in the stacks. However, if you still want to use them in *The Duel of the Princes*, you should place them in a separate face-up expansion card stack.
